Planning and Zoning

Title: Consider a request from **DKM Land Holdings LLC** (Steven McNew), the potential owner of the property situate at 2903 Hwy 90W, Hondo, TX, to use the property as operational headquarters of a commercial paving and construction company. Legal Description of the property is stated as A0729 J. NEY SURVEY 160; ACRES 3.7. This is in accordance with City of Hondo Code of Ordinances, Exhibit 9A Unified Development Code, Chapter 3, and Section 3.12.3. The proposed use must comply with all regulations and restrictions as contained in the UDC. In addition, all requests for a Specific Use Permit must comply with all State and Federal laws and regulations applicable to such use. The Planning and Zoning Commission may recommend additional restrictions or stipulations as the facts and circumstances of each case may warrant. Specific Use Permits are valid conditioned upon that the permitted use continues and the applicant complies with all ordinances, codes, regulations, conditions, and stipulations of the City of Hondo and as set forth in this section.

Date: November 10, 2025

From: Development Services

BACKGROUND:

The City of Hondo received a request from DKM Land Holdings LLC, applicant who intends to purchase the property, to consider a Specific Use Permit for the operational headquarters of a commercial paving and construction company which will include;

- Storage, staging and showcasing of equipment when not deployed on jobs
- Occasional on-site servicing and maintenance of construction and paving equipment
- Use of on-site offices for business operations
- Storage of small tools, materials and construction accessories
- Occasional rental or display of equipment

All these would be operated from the said property situated at 2903 Hwy 90 W, Hondo, Texas. The current zoning for this property is 'C' – Commercial District, and under this type of zoning, the proposed company headquarters can only be carried out under a Specific Use Permit regime. The applicant was also advised that the proposed use must comply with all regulations and restrictions as contained in the UDC. In addition, all requests for a Specific Use Permit must comply with all State and Federal laws and regulations applicable to such use. The Planning and Zoning Commission may recommend additional restrictions or stipulations as the facts and circumstances of each case may warrant. Specific Use Permits are valid conditioned upon that the permitted use continues and the applicant complies with all ordinances, codes, regulations, conditions, and stipulations of the City of Hondo and as set forth in this section.

PROPERTY I.D. AND LEGAL DESCRIPTION:

Parcel Identification number: 7203

Legal Description: A0729 J. NEY SURVEY 160; ACRES 3.7. within the City of Hondo, Medina County, Texas.

GENERAL LOCATION:

Generally located towards the far western part of the city South of 19th Street

FINANCIAL IMPACT:

None.

SPECIFIC USE PERMIT DESCRIPTION:

The Planning and Zoning Commission may recommend additional restrictions or stipulations as the facts and circumstances of each case may warrant. Specific Use Permits are valid conditioned upon that the permitted use continues and the applicant complies with all ordinances, codes, regulations, conditions, and stipulations of the City of Hondo and as set forth in this section.

DEPARTMENT COMMENTS:

The applicant, in discussion with the Development Services Department, was given the option to either seek a rezoning to Light Industrial (which would make the use a permitted use if approved – subject to spot zoning issues) or go for a Specific Use Permit. The applicants eventually went with the Specific Use Option. After careful review, it is the opinion of the department that the proposal would be a use beneficial to the City of Hondo.

Staff Recommendation:

Staff recommends **approval** for a request from DKM Land Holdings LLC (Steven McNew), the potential owner of the property situate at 2903 Hwy 90 W, Hondo, TX, to use the property as operational headquarters of a commercial paving and construction company. Legal Description of the property is stated as A0729 J. NEY SURVEY 160; ACRES 3.7. Re: City of Hondo – DEVELOPMENT PROJECT APPLICATION

SPECIAL USE PERMIT: 2903 Hwy 90 W Hondo TX

DKM Land Holdings, LLC intends to use the **2903 Hwy 90 W**, property as the operational headquarters of a commercial paving and construction company, which will include:

- Storage, staging, and showcasing of equipment when not deployed on jobs
- Occasional on-site servicing and maintenance of construction and paving equipment (primary service location is already established in Uvalde, TX)
- Use of on-site offices for business operations
- Storage of small tools, materials, and construction accessories
- Occasional rental or display of equipment

DKM Enterprises has been proudly serving communities since 2000, with our headquarters located in Uvalde, Texas. In addition to our headquarters, we operate branch locations in Monahans, Texas; Cleburne, Texas; and Abilene, Kansas.

DKM is privately owned by Don McLaughlin Jr. and Steven McNew. We currently employ approximately 90 individuals and manage active projects across multiple states, including Texas, Kansas, Iowa, Nebraska, Virginia, Louisiana, and Minnesota.

If granted this special use permit, DKM anticipates hiring 4 to 8 employees from the Hondo area to support our operations. We are committed to investing in local talent and contributing to the continued growth of Hondo, Texas.

Upon Approval of SUP we will finalize with Jason Gunn at TXDOT the plan expand the entrance of the property:

Driveway Reconstruction (Proposed)

- Throat width at ROW: 40 ft (two-way heavy-truck access)
- Curb-return radius: 35 ft minimum; 45 ft preferred for WB-67 design vehicles
- Gate setback: ≥ 50 ft from ROW to allow WB-67 vehicles to clear the highway while gates open

- Construction: 2" HMA over 8–10" flex base (or per district specifications)
- Apron slope: 2–4% away from highway; culvert sizing to be coordinated with TxDOT (currently no culvert is present)

We look forward to expanding our business while becoming an active and supportive member of the Hondo community.

Sincerely,

Don McLaughlin

Re: Intended Use of Property at 2903 U.S. Highway 90 West, Hondo, Texas

Dear Mr. Naron,

On behalf of DKM, I would like to provide a brief description of our intended use of the property located at 2903 U.S. Highway 90 West, encompassing approximately 3.7 acres in Medina County, Texas.

DKM intends to utilize the property within its current footprint, consistent with the uses authorized under the attached Settlement Agreement. The site will serve as a location for the storage, staging, and showcasing of heavy equipment, as well as on-site servicing and maintenance, and limited equipment rental or display. We also plan to use the small-scale office facilities and storage for tools and materials necessary for operations.

This property will not include any batch plants, mixing plants, or manufacturing of concrete or asphalt. Our use of the site is strictly for the operations of our construction company, supporting logistical, equipment, and operational needs without any industrial manufacturing activities.

We have begun coordination with TXDOT, DKM is pursuing approval for the widening of the existing entrance to safely accommodate the ingress and egress of heavy trucks, minimizing potential disruption to traffic along Highway 90. Following the completion of design drawings and necessary approvals, DKM intends to pave the property—both as a functional improvement and as a demonstration site to showcase our paving capabilities and product offerings.

We appreciate the City's continued collaboration and look forward to working closely with your office as we advance the development of this site in a manner consistent with city requirements and community standards.

Please don't hesitate to contact me at (830) 591-7715 should you need additional information or supporting documentation.

Sincerely,

Steven McNew.

**SETTLEMENT AGREEMENT REGARDING APPROVED USE OF PROPERTY
SUBJECT TO DEED RESTRICTIONS AND AMENDMENT TO THE DEED
RESTRICTIONS**

This Agreement is entered into on this 2nd day of September, 2025, by and between:

Clarence McNeil, Declarant, hereinafter referred to as the “Grantor,” and

DKM Land Holdings, LLC, a Texas limited liability company, hereinafter referred to as the “Buyer.”

WHEREAS, Buyer wishes to purchase the following described real property lying in Medina County, Texas, to-wit:

3.7 acres of land, more or less, being out of Survey No. 160, John Ney, Abstract No. 729, in Medina County, Texas, commonly known as 2903 Hwy 90 W, Hondo, Medina County, Texas 78861, also identified as, Medina County Property ID: 421888801, (the “Property”).

WHEREAS, Grantor is the creator and controlling authority over certain deed restrictions or recorded covenants that apply to the above described real property as recorded in Volume 40, Pages 107 of the Medina County Deed Records (the “Deed Restrictions”).

WHEREAS, the Deed Restrictions were amended by document recorded in Volume 470, Page 1074 of the Medina County Deed Records (the “Amendment”)

WHEREAS, Various disputes have arisen about the proposed use of the Property and the enforcement of the Deed Restrictions and the Amendment.

WHEREAS, the parties desire and are willing to compromise, settle, resolve and dispose of all potential litigation regarding the enforcement of the Deed Restrictions and Amendment between them related to any and all claims regarding the land use and enforcement of the Deed Restrictions and the Amendment GRANTOR may have against BUYER and related to any and all claims regarding the enforceability of the Deed Restrictions and the Amendment BUYER may have against GRANTOR.

WHEREAS, the parties AGREE that the Buyer’s intended use includes: (1) Storage, staging, and showcasing of heavy equipment; (2) On-site servicing and maintenance of equipment; (3) Use or construction of on-site office facilities; (4) Storage of small tools, materials, and accessories; and (4) Occasional equipment rental or display.

WHEREAS, the parties AGREE that the Amendment is unenforceable as a matter of public policy. Specifically, the “Amendment” is the language stating:

The Declarant shall have the power and authority to amend this declaration by filing

and recording such changes in the same manner as this declaration so long as Declarant owns an interest in the Property or the adjoining property. If Declarant no longer owns an interest in the Property or the adjoining property, these restrictions may be amended by unanimous vote of the parties owning the Property and the owners of the adjoining property to which Declarant owns an interest as of the date of this instrument.

NOW, THEREFORE, for and in consideration of the above premises, the mutual releases, promises and agreements herein contained, the avoidance of litigation and for other good and valuable consideration the receipt and sufficiency of which is acknowledged, the parties hereto do hereby agree as follows:

1. BUYER affirms and agrees that at all times the Property will be (1) maintained in good order; (2) kept tidy and free of excessive debris; and (3) not used for junk or scrap storage and that they shall use the Property in compliance with the specific Deed Restrictions .
2. GRANTOR affirms and agrees that BUYERS stated use of the Property is acceptable and does not violate the Deed Restrictions.
3. GRANTOR affirms and agrees and, understands that BUYER relies upon GRANTOR's agreement that the Amendment to the Deed Restrictions, as identified above, is void and unenforceable. Both parties agree that the Restrictions are enforceable. GRANTOR further agrees and affirms that he will take no position to the contrary regarding this specific language of the Amendment as set out in the recitals.
4. BUYER affirms and agrees that he has had Notice of the remainder of the Deed Restrictions, except and excluding the language identified in the Amendment and agrees they are enforceable.

Each party hereto agrees to cooperate fully to execute any and all supplementary documents and to take all additional actions that may be necessary or appropriate to give full force and effect to the terms and intent of this Agreement.

1. In entering into this Agreement, each party hereto represents that the terms of this Agreement have been completely read or explained to them, that those terms are fully understood and voluntarily accepted by them and that each party has had the benefit of independent legal counsel.
2. The provisions of this Agreement may be changed, waived, modified or varied only by written agreement signed by all of the parties hereto.
3. This document may be executed in multiple counterparts or with detachable signature pages, which shall be construed together and shall be effective as if all were executed in one, unified document.
4. Each of the parties does hereby represent and warrant to each other that it is duly

authorized to execute and deliver this Agreement and has taken all actions necessary to authorize the execution and delivery of this instrument, and this Agreement constitutes a legal, valid and binding obligation, enforceable in accordance with its terms.

5. Any lawsuit, action or proceeding arising with respect to the validity, construction, enforcement or interpretation of this Agreement and all issues related thereto shall be brought in Medina County and shall be governed by and construed in accordance with the laws of the State of Texas.

6. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective representatives, successors and assigns.

7. This Agreement constitutes the entire agreement among the parties with respect to the subject matter hereof and supersedes any prior agreements, understandings, conditions, representations or warranties, whether oral or written by the parties with respect to the subject matter hereof.

IN WITNESS WHEREOF, the undersigned execute this Agreement as of the date and year first above written.

Subject: RE: Request for Guidance, Process and Approval – Entrance Widening at 2903 Hwy 90 W, Hondo, TX - Victory Baptist Church

Steven,

Thank you for the additional detail regarding the property and it's future use. A couple notes to help move this forward.

Regarding drainage, if any existing pervious condition on the property is changing (grass, soil, etc), even to gravel or base, this will affect the flows. This is why we request a site exhibit with grading so we can evaluate what is changing from the existing footprint. At a minimum we will need a "No Impact" drainage statement which should reference all existing conditions and future conditions showing data that confirms there is no impact to the TxDOT right-of-way. This statement needs to be signed and sealed by a professional engineer.

The dimensions and construction design look acceptable. A detailed design of the driveway would be preferred, and your engineer will need to shoot grade and determine if the driveway reconstruction will end up requiring a pipe culvert as you noted. CMP or RCP culverts are acceptable and 18" minimum diameter is preferred for commercial driveways.

I will put together the 1058 form for you. We'll need the full name, mailing address, phone number, and email address for who the permit it issued to. This should be the property owner or designated authority, not a contractor. Once we have all the required information I'll assemble the application draft and send it to you for review and signature.

Lastly, this property is within the city limits of Hondo so you'll want to contact them to ensure any/all City approvals are obtained.

Thank you, Jason for the speedy response.

Regarding the property at [2903 Hwy 90 W](#), Hondo, TX, DKM Enterprises intends to repurpose the site as a storage and staging yard to support our operations.

Type of Business

DKM Construction provides asphalt, paving, pad site preparation, and road construction/repair services. We are headquartered in Uvalde, TX. The Hondo property will function as a support yard for meetings, storage, equipment, and staging operations.

Site Use / Layout

The property will be used “as is” as an open yard with a stabilized surface for equipment and material storage. No retail, high-traffic, or customer-facing operations are planned, and no additional buildings or high-occupancy structures are proposed.

Grading / Drainage

Please advise whether a formal grading/drainage plan will be required, as no new impervious development is planned.

Driveway Reconstruction (Proposed)

- Throat width at ROW: 40 ft (two-way heavy-truck access)
- Curb-return radius: 35 ft minimum; 45 ft preferred for WB-67 design vehicles
- Gate setback: ≥ 50 ft from ROW to allow WB-67 vehicles to clear the highway while gates open
- Construction: 2" HMA over 8–10" flex base (or per district specifications)
- Apron slope: 2–4% away from highway; culvert sizing to be coordinated with TxDOT (currently no culvert is present)

We are coordinating with our engineer, Ken Dirksen, and will provide all required final exhibits.

At this stage, could you confirm whether a completed Form 1058, accompanied by an engineer-approved driveway reconstruction sketch, would satisfy TxDOT's requirements—given that we do not intend to alter or redevelop the property beyond the driveway improvements?

We appreciate your guidance on obtaining permission to expand the drive so we can finalize documents and proceed with purchasing the property.

I'm working with TXDot for the first time so please excuse my lack of knowledge for the process and I look forward to learning as we navigate forward.

Thank you,

Steven McNew

Steven,

Will the land use be changing from the existing church to some other commercial development? If so, we'll need information regarding what will be developed on the property.

1. Type of business
2. Site exhibit and/or property layout
3. Grading plan (drainage)
4. Proposed driveway reconstruction (dimensions – width at property line, radius (flares), construction material proposed, etc.)

Mr. Jason Gunn

Texas Department of Transportation

Hondo Area Office

[2903 Hwy 90 W](#) Hondo, TX

Dear Mr. Gunn,

I am writing on behalf of DKM Enterprises regarding planned improvements to the entrance at [2903 Hwy 90 W](#) in Hondo, Texas. As part of our upcoming purchase & operations at this property, we anticipate frequent use of the entrance by haul trucks and heavy equipment. Our priority is to ensure that all vehicles can safely enter and exit the property without creating hazards on Highway 90.

To support this, we are requesting TxDOT's guidance and approval on widening the existing entrance. Our initial assessment suggests that a combination of entrance widening, curb cutting, and recessing of the fence line would allow sufficient turning radius for trucks, preventing situations where a commercial driver might need to back into the highway to complete an approach.

We greatly value TxDOT's expertise and would like to collaborate to ensure the entrance design meets all applicable standards for safety and efficiency. Please advise us on the appropriate process, required permits, and any additional considerations needed to move this request forward.

Thank you for your time and assistance. We look forward to your guidance on how to proceed with this important improvement.

I'm also available to meet in person at the property as your schedule permits.
